

Finding BC Children's Hospital Research Institute

Driving

- Turn off Oak Street onto West 28th Avenue
- Take the first right to enter the hospital site
- Follow the ONE-WAY road, the main entrance will be located on the right (Signage - Green, #18)

The buildings main entrance is directly across from the North Entrance to BC Children's Hospital where a student drop-off area is available.

Following the signage onsite? The Child & Family Research Institute has recently taken on the name and brand of BC Children's Hospital. Watch for signs directing you to CFRI OR BC Children's Hospital Research.

Parking

Limited free parking is available surrounding the site. Note parking restrictions as times vary.

Parking onsite can be challenging, allow extra time for locating a spot and walking across the site. Pay parking is in effect 24 hours a day. \$3.50/hour or \$14.25/day. Visa, Mastercard and American Express accepted.

Public Transit

Skytrain -

- Take the Canada Line to King Edwards Station
 - Walk west along King Edward to Oak Street
 - Turn left onto Oak Street
 - Turn left at West 28th Avenue
 - Take the first right to enter the hospital site
 - Follow the road to the right and continue along the sidewalk, the main entrance will be located on the right (Signage - Green, #18)
- Walk: Approximately 15-20 minutes

Bus -

Bus #17 - Oak/Downtown (Devonshire Crescent Stop) and Bus #25 - Brentwood Station/UBC (King Edward at Oak Stop) are also within a 5-10 minute walk. Visit www.translink.ca for details.

Biking

Secure bike storage is available. Please ask your event host for the location and access information.

For accessible bike routes visit www.travelsmart.ca.
