

MINI SCIENCE NIGHT

Thursday, March 27, 2025 | 6:00 – 7:30pm

MacBride Museum,
1124 Front St, Whitehorse

Register now: www.bcchr.ca/miniscienight

At Mini Science Night, you will:

- Hear presentations from award-winning BC Children's Hospital researchers and health experts
- Explore the wide range of careers in science and medicine
- Ask your questions directly to world-class scientists
- Connect with other members of the Whitehorse community

Admission is free but space is limited. Register today at:
www.bcchr.ca/miniscienight

All members of the community are welcome to register – including students, teachers, parents, seniors, and health professionals. No science background is necessary
