

Research Participation Opportunity!

ADHD RESEARCH STUDY

We want to know how parents in Asian Canadian and White Canadian families make decisions about what treatment to pursue for their children with ADHD.

☀️ **Your voice matters!** Your participation contributes to our knowledge on how to offer more culturally sensitive treatments.

💰 **Earn up to \$150:** As a token of our appreciation for your valuable insights and participation, each family will receive up to \$150.

📋 **Requirements:** Asian Canadian or White Canadian family of a child/teenager (6-18 years old) with suspected or recently diagnosed ADHD.

📝 **Study procedure:** Complete an online questionnaire (parents) and a Zoom interview (child/teenager) 3 times over about 1 year.
