## **CORE HISTOLOGY PRICE LIST APRIL 2012**

### Training Sessions

Training sessions for paraffin and frozen processing, cutting and staining will be held on Tuesday and Thursday afternoons.

After satisfactorily completing the training, the equipment for cutting and staining may be booked for individual use on Monday, Wednesday and Friday afternoons.

### Microtome Booking

Please inquire. Provide your own blade and slides, or you may purchase these consumables.

### Rush Orders

Please inquire. Fees are based on: service requested, quantity and urgency of the request.

### How to Order

Please contact Bao Ping Song by email [bpsong@interchange.ubc.ca](mailto:bpsong@interchange.ubc.ca) or phone 604-875-2000 x 5699 for further information regarding training and booking schedules, or to place an order.
